

**Attention- Risk Type 3 Food Establishments, including but not limited to Nursing Homes, Assisted Living Facilities and Hospitals**

**Effective January 2, 2010, Chapter 24**, Sanitation in Retail Food Establishments and Food and Beverage Vending Machines, NJAC 8:24-2.1(b) mandates that:

“...at least one person in charge in Risk Type 3 Food Establishments shall be a certified food protection manager who has shown proficiency of required information through obtaining a food safety certificate by passing a food safety certification examination administered by an accredited certifying program recognized by the Conference of Food Protection.”

Chapter 24 can be found at: [www.state.nj.us/health/eoh/foodweb](http://www.state.nj.us/health/eoh/foodweb) under, “What’s New.” Also, see “The Chapter 24 Frequently Asked Questions” section for helpful information.
